

SALDANHA BAY YACHT CLUB
BYELAWS

1. APPLICATION

The Byelaws shall be read in conjunction with the Saldanha Bay Yacht Club Constitution.

2. GARAGES

- 2.1 Should a tenant cease to be a member of the Saldanha Bay Yacht Club, the garage shall revert to the Club, and the committee will re-allocate the same according to the waiting list.
- 2.2 Should a tenant sell his / her yacht, the garage shall revert to the Yacht Club, and the committee will re-allocate the same according to a waiting list.
- 2.3 Tenants shall be boat owners.
- 2.4 Application for a garage shall be in writing lodged with the Secretary.
- 2.5 Private arrangements relating to changing of hands shall not be permitted.
- 2.6 Should a garage 'owner' sell his/her yacht, this would not allow the new owner automatic privy to the said garage.
- 2.7 The principle owner of the garage must be seen to be active at the club. If the committee is of the opinion that the principle owner is not making justifiable use of the garage, the committee may, at its discretion, request the principle owner to vacate the garage, and shall then re-allocate the garage according to the waiting list for garages.

3. BOAT OWNERS

It is compulsory that all boat owners furnish the secretary with copies of the following documentation within one month of their membership application being approved and before the boat is allocated water space.

- 4.2 The Saldanha Bay Yacht Club Committee shall initiate a scheduled underwater inspection and clean to be performed twice per annum, the cost of which will be borne by the owners. The ultimate responsibility lies with the owners to ensure that their moorings, including shacklings, are maintained and in good working order.
- 4.3 Moorings shall be used for at least 8 months per annum, failing which the Committee may rescind the water space and re-allocate to another applicant.
- 4.4 When a yacht changes ownership, the water space shall not automatically be afforded to the new owner. The new owner shall apply for the said water space by written application to the committee within 30 consecutive days of the sale.
- 4.5 The committee will consider the application and allocate water space taking cognisance of inter alias
 - a) Other applications for water space.
 - b) The committee will not cause the new owner to vacate the Club provided that he has been a long-standing member.
 - c) New members shall be subject to a waiting list.
 - d) Should other water space be allocated in favour of another applicant the costs of relocating the ground tackle/s shall be borne by the applicant, as the case may be.

5. JETTIES

- 5.1 The Saldanha Bay Yacht Club jetties have been enlarged for the convenience of members. The trot moorings may be used for an overnight stay provided a crew member is available to move the boat back to its mooring should weather conditions change. Except in cases of emergency, boats shall not be left unattended on the trot moorings.

The other jetty space is for boats > 9 metres. Consideration to the needs of other members requiring jetty space should be given at all times. Under no circumstances should boats be left unattended in this area. It is expected of any boats using these sides of the jetty to actively participate in club activities (race / cruise / rescue) and not to merely use the facility as a walk-on mooring.

- 5.2 The Saldanha Bay Yacht Club cannot provide marina facilities. The electric power supply on the jetty has been installed solely to assist members to make repairs on boats and is not intended for marina-style living. No electric power may be taken to boats for any purpose other than for repairs.

5.3 The jetties may not be occupied over Xmas, Easter or other weekends for maintenance purposes. This type of occupation should only take place during the week. Even then, consideration should be given to other members requiring jetty space.

6. TENDERS

Tenders should be removed from the water every weekend except if the member will be using his tender during the following week. Tenders left unattended on the jetty for more than 7 days will be removed and the owner of the tender will be fined R35.

7. FRESH WATER

7.1 Fresh water must be used sparingly in the showers and kitchen.

7.2 Hoses on the jetty and hard may only be used to clean boats if equipped with a nozzle to control the flow of water. Water should be used sparingly and preferably the scrubbing of decks should be done using seawater. Fresh water may be used for rinsing off the decks only. Alternatively washing should be done using fresh water in a bucket.

7.3 Under no circumstances may hoses be used to wash cars. Any washing of cars should be done using a bucket.
